510-684-1851

\*Cell service is spotty up at the cabin!

## How to get there:

Driving directions to Buck Camp Ranch from Klamath Falls, Oregon:

Take Highway 140 E from Klamath Falls toward Bly, Oregon, approximately 57 miles to Ivory Pine Road. Turn left on Ivory Pine Road (north) and travel 2.2 miles to Campbell Road. Turn right on Campbell Road (East) and travel 3 miles to the intersection of Campbell Road and Forest Service road 3411. Turn left (North) on to 3411 and continue north and then east. Just past the milepost "2" is an intersection. Turn left at the intersection and continue Northerly on FS road 3411 approximately 1.7 miles to the second gated private road on your left. (The first gated road to the left is approximately 1/4 mile before our road and is marked "Bailey Flat Ranch" - continue 1/4 mile on FS 3411 to the next road to the left) turn left and pass through the gate. Our American Tree Farm System sign is displayed approximately 50' inside the gate. Pass through the gate and continue on the gravel private road. The road crosses a flat area for approximately one hundred yards and then proceeds down the hill. There is a spur road that intersects the main road and goes to the right, do not take the spur. Continue straight on the main road over the canal. Our brown cabin with green metal roof will be visible as soon as you cross the canal.
